Industry Automobile Spare Parts 54500-F2000 Forged Suspension Control Arm

Our Product Introduction

For more products please visit us on automobile-sparepart.com

Basic Information

- Place of Origin: CHINA
- Brand Name: NABO
- Certification: TS16949
- Model Number: 54500-F2000
- Minimum Order Quantity: 20 PCS
- Price: USD12.85 ~ USD14.88
- Packaging Details: poly bag or air bubble bag, any boxes with customers' label, Corrugated box , Standard tray
- Delivery Time: 3~30 work days
- Payment Terms: D/P, L/C, T/T
- Supply Ability: 5000 pcs per month

Product Specification

- Product Name: Suspension Control Arm
- Size: Standard
- Warranty: 12 Months
- Package: Poly Bag With Cartons, After Wooden Pallets
- Car Make: For Hyundai
- Name: Automobile Spare Parts
- Highlight: **Industry Automobile Spare Parts,
Automobile Spare Parts Forged, 54500-F2000**

Product Description

54500-F2000 Suspension Control Arm for Hyundai Avante Elantra GT 19 KIA Cerato Forte 2015 54500 F2000

Product Description:

Control arms, also known as A-arms or wishbones, are an important part of a vehicle's suspension system. They are responsible for connecting the suspension to the car's chassis and controlling the wheel's movement.

These arms can usually be found in both the front and rear parts of the car's suspension, though they may be differently shaped or configured.

Features:

Our **Control Arm** is crafted from high-quality material, such as forged or cast steel, aluminum, or composite materials, providing superior strength and durability. It is built to withstand the demands of daily driving and various road conditions.

The Control Arm links the suspension components, such as the wheel hub assembly and steering knuckle, to the vehicle's chassis. It provides the necessary structural support and flexibility to control the motion of the wheels, ensuring proper wheel alignment, even tire wear, and improving handling and stability.

It allows for controlled vertical movement of the wheels, providing enhanced traction and responsiveness during acceleration, braking, and cornering. Easy to install, our Control Arm is a direct fit for your vehicle's original part and is manufactured by trusted suppliers who prioritize quality and performance. Moreover, it undergoes rigorous testing and quality control measures to meet or exceed industry standards.

Technical Parameters:

Parameter	Detail
Product Name	Suspension Control Arm
Car make	For Hyundai
Size	Standard
Package	Poly Bag With Cartons, After Wooden Pallets
Warranty	12 Months

Support and Services:

Our technical support and service for Suspension Control Arm include:

Free replacement of any defective parts

Free technical advice for any inquiries

Free troubleshooting services

Free installation and maintenance service

Free recall service in case of malfunction

FAQ:
